# Spring and Summer Schedule Planning Party

Wednesday, March 21st

5:30 to 7:00 p.m. in 300-217

**Event Coordinator:** Akiko Hayashi, MS 300-323,  
<mailto:akh@pacific.jpl.nasa.gov> (818)354-8185

It's time again to plan trips for the Spring and Summer.

We have a fun dinner meeting right after work for doing just that. We need to fill our April through September calendar with trips and we need trip ideas and trip leaders. There is a wide variety of activities that we do. Our list of past activities include day hikes, backpacking, canoeing, rafting, car camping, 4WD trips, beach trips, bicycle trips, wine tasting dessert socials, city walks, museum tours and lectures. You can also browse through our [flyer archives](#) and [trip reports](#) on our webpage (choose Club Information on the side menu) to find out about past trips.

If you've ever gone on a great trip, share the experience with others. The officers will help you plan and lead trip, if you have never done it before. Most trips are easy to lead. We give all trip leaders a free Hiking Club T-shirt and 50% off the cost of trips.

Fill out the coupon below with the trip description and send it to me.

Please RSVP by Tuesday, March 20, so that I can plan appropriately for food and drink. All our welcome. We look forward to seeing you there!

If you have any questions, please contact the event coordinator.
