DESCRIPTION: This is an expanded version of the traditional 4th of July Mammoth area Car Camp. McGee Creek Campground is located near the town of Mammoth Lakes, in the eastern Sierra. Toulumne Meadows is in the Yosemite high country. This car camp is informal with plenty of time to "do your own thing". Activities include hiking, fishing, mountain biking, sightseeing, 4WD side trips, skiing and shopping in Mammoth Lakes.

You can drive up on Friday or Saturday. You can explore on Saturday & Sunday. We usually have a happy hour on Saturday afternoon, and watch the Lake Crowley fireworks from near the campground on Sunday evening. The plan is to break camp on Monday, and if you are not heading home, to cross over Tioga Pass, and set up camp at Toulumne Meadows. Or, if you have plans for the weekend, you can catch up with the trip on Monday. On Tuesday we can explore the Yosemite high country. After breaking camp, we can go through Yosemite Valley on the way home, or drive back on the eastern side.

BRING: The normal car camping equipment -- tent, sleeping bag, stove, cooking utensils, food, and layered clothing. Days can be very warm, evenings cold.

PRE-TRIP MEETING: Tuesday, June 22, 2004 in Conference Room 126-225 from 12 noon to 1:15 PM. Be there or be represented. Reservation priority is based upon when the reservation form (see below) is received by the trip leader along with a payment check.

If you have any questions, please call the Trip Leaders.

Hiking + Members: Please make a copy of this flyer and post on your local bulletin board. Thanks!
