## SLIDE SHOW: Southern California Tide Pools

Tuesday, January 18, 2005, Noon to 1:00 p.m.  
238-543 Conference Room

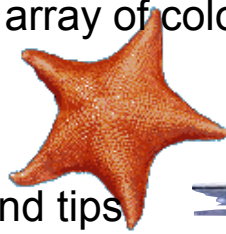

**SPEAKER:** Mike Schaadt, Exhibits Director,  
Cabrillo Marine Aquarium

### DESCRIPTION:

Children and adults alike are enchanted by the wonders of Tide Pools, which become accessible only when the tide is out. Tide pools are a unique and brutal habitat where the ocean meets the land, a habitat dominated by surging waves, scouring sand and the drying sun at low tide. For those willing to poke and probe in the pools at low tide, a world of bizarre animals in a vast array of colors, textures and shapes awaits you.

Come learn about magical environment of tide pools and tips for visiting local tide pools.

**Note:** if you do not have a JPL badge and would like to attend this slide show, you need to contact Mina (818) 393-1621 in advance to arrange lab access!

*Hiking + Members: Please make a copy of this flyer and post on your local bulletin board. Thanks!*
