DESCRIPTION: WHAT HAPPENED:

We continued maintenance on Strawberry Peak Trail, with a long hike to get to where the brushing and trail widening is needed. When a smaller crew turned up, we worked the San Gabriel Peak Trail, removing part of a telephone pole that had split and was dangling on the trail about half way up the trail, then doing brushing and trail widening on the way down, and continued that work the following outing

Thanks to the following volunteers (listed by hours) who volunteered with the JPL Trailbuilders in Fiscal 2006 (Oct 2005 through Sep 2006).

WHAT'S HAPPENING:

Depending on crew size, we will continue work on the Strawberry Peak Trail or San Gabriel Peak Trail. Both need the same kind of work, brushing and trail widening.

BRING: Dayhike gear (daypack, lunch, lots of water), sun screen, bug repellent, hat, sturdy shoes, and work gloves. You can bring your own tools or are welcome to use those from our group supply.

MEET- Meet at 8:15 AM at ball diamonds parking lot in the lower part of Hahamongna Park. Get off the 210 freeway at the Berkshire off-ramp and follow the signs for JPL and Hahamongna Park. Once you turn into the park, go down the driveway, make a right at the bottom and look for us in the parking lot by the ball diamonds. . We will sign in and form carpools, leaving at 8:30 sharp, returning around 4 PM. The leaders always take passengers, but make sure you have plenty of gas in case we need more drivers (riders can give drivers \$1 towards gas). If you need to leave early, notify the leaders at sign-in time.

Next tentative dates March 10 and 31, 2007 & April 21 California Trail Days
