**CLASSIFICATION:** Easy to strenuous   **COST:** \$105 - \$145   **TRIP LIMIT:** 16

### DESCRIPTION:

Nothing is more beautiful than Yosemite in the winter! This trip offers a variety of winter activities, including sightseeing, hiking, snowshoeing, downhill skiing, and great cross-country skiing. Dewey Point is always a favorite for both the beginner and the experienced skier. You can ski through meadows surrounded by tall pines, with a few exciting hills at the end, to arrive at a spectacular view of Yosemite Valley. If you want more of a challenge, you can ski to Glacier Point, which also has an excellent view of the Valley.

We will arrive at the cabins in Wawona on Thursday night after work (approximately 5 hours drive). We have two very nice cabins, each with their own fireplace and pool table. There are two types of sleeping arrangements available: bedrooms at \$145 per person (double occupancy) and sofa or floor at \$105 per person. Floor space and sofas will not be available until all of the beds are full. We will try to provide your first choice for accommodations. Breakfasts and dinners will be provided as part of the basic cost of the trip. Each cabin will be responsible for its own meal planning, food buying, and meal preparation. You will need to bring your own lunches to eat on the trail. The club will sponsor a happy hour ? after skiing on Friday, which will include snacks, sodas, and wine.

**Pre-Trip Meeting:** Wednesday, February 13th at Noon in 301-169. We will arrange carpools, cook groups, room assignments, and trip schedules. Please attend or arrange to be represented so that you don't lose your reservation. All drivers must bring chains, which fit, and snow shovels.

**Trip cutoff Date:** In the event of an over subscription the club rules apply. The trip cutoff is February 11th. Please send in your reservation as soon as possible, so I can get an additional cabin if that is necessary. There will be no refund after February 11th, unless you find a replacement. \$10 of your fee is non-refundable.

Return Coupon below and check to Keith English, M/S 301-320 by February 11. Make checks out to "JPL Hiking Club")
